

TURBINE LAYOUT VISUAL SIMULATIONS

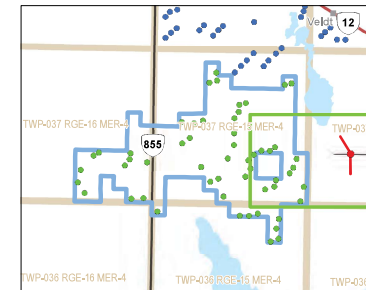

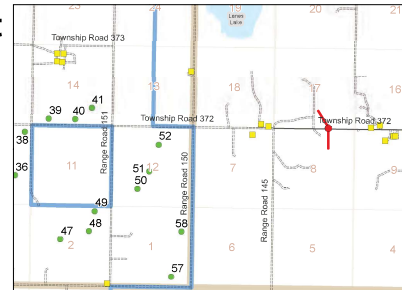

Paintearth Wind Project Visual Simulation

Version: 3
Date: 2016-10-18
Layout: 20161011
Prepared By: WSP

Datum: NAD 83
Projection: UTM Zone 12N
Scale: 1:40,000

Notes:
The photo was taken from TR372 on the east side of the project, looking west. The wind turbine displayed is a Senvion 3.4M140 on 110 m towers.
